

# Wacky Tic-Tac-Toe

1. Circle to show 3 Xs in 3 equal groups. Then complete the division sentence.

$$\underline{\hspace{2cm}} \div 3 = 3$$

**Visual  
Thinking**

2. Circle to show 4 Os in 4 equal groups. Then write a division sentence.

$$\underline{\hspace{2cm}} \div \underline{\hspace{2cm}} = \underline{\hspace{2cm}}$$

3. Circle to show 2 Xs in 6 equal groups. Then write a division sentence.

$$\underline{\hspace{2cm}} \div \underline{\hspace{2cm}} = \underline{\hspace{2cm}}$$

4. Circle to show 5 Os in 3 equal groups. Then write a division sentence.

$$\underline{\hspace{2cm}} \div \underline{\hspace{2cm}} = \underline{\hspace{2cm}}$$
